Wedding Contract

EFFECTIVE JANRUARY 1, 2019

POLICIES CONCERNING WEDDING PARTIES

We recommend a one hour practice session for the Bride. We urge that she bring in tear sheets of styles she likes and headpieces she may use. A complete walk through of the style will be done. Without a practice session, we cannot guarantee the hair will come out exactly the way the Bride wants. It is a very special day, so it is really to the Bride's benefit to do a practice session. The cost of this session \$75 and not included in the Wedding Day price.

All members of the wedding party must have their hair clean and completely dry prior to having it styled. Shampooing hair in the morning and drying early holds much better than if hair is shampooed immediately prior to styling.

Please have all members of the wedding party be on time!! If members of the wedding party are not on time, this will make it difficult for the stylist to perform all services on time and effectively.

The stylist will provide all hairpins and styling products. The wedding party can bring, for the stylist to use, any hair ornaments or flowers.

CONDITIONS OF FEES RECEIVED

All fees for wedding services must be paid in full a minimum of 5 business days prior to the wedding day. NO EXCEPTIONS!! One half of these fees, the deposit, to be paid when appointments are made and the contract is signed. The Bride assumes all responsibility of payment to the Wedding Team Manager for all members of the wedding party included for styling and make-up. One check only must be received from the Bride. Any check returned will include a service charge of \$25.00 and afterward payment must be made in cash. After full payment is received, refunds will not be made for any changes or cancellations.

SERVICES ALLOTTED PER DAY

Our salons will only take wedding parties of 5 or less persons. We can provide makeup and updos for each individual in the party.

CANCELLATIONS

Any cancellations for individual services made with less than 14 days notice will be charged to the credit card associated with the contract. The entire cost of the canceled service(s) will be placed on the credit card. The remaining amount is due on the required date.

*NO changes will be made over answering machine. You MUST speak with an individual.

**Even if you would like your hair down, it will still be considered and charged as an updo if it requires any hot tools.

LATE ARRIVALS

If a wedding party is more than one hour late without making prior contact with the salon, the assumption will be made that the client is a no show. In this case, the client forfeits all deposits and payments. If a wedding party is late for the scheduled service appointment time and notifies the salon of new arrival time, stylist may or may not be able to accommodate the new arrival time. If the scope of the original contract cannot be fulfilled services may be reduced; however, clients are liable for the original amount.

PRICE LIST FOR WEDDINGS

Styling for any party with long hair wearing it down for the wedding may be charged additional fees depending on length and curling desired. Client must be present for any exact price quotes or a generalized estimate may be quoted if client is not present.

All prices not exact and subject to adjustments. All pre-payments for Bridesmaids and other party members will include minimum, if any additional charges occur because of intense styling required by members, charges would be billed to the Bride.

On the last page please provide the Bride's name, address, phone number, wedding date, location of services (salon, home, hotel, or church), and the names of the members of the wedding party having styles done. With the inclusion of the Bride's signature, she agrees to the following price list and policies.

This is the most important day of the Bride's life, a day she'll remember forever. Thank you for allowing 5th Avenue Salon Wedding Team to make you look and feel your best on this very special day.
